

Faith Community Bible Church

Building a Community in Christ
To Reach a Community for Christ

As we demonstrate Christ-like love to one another and for the health and safety of everyone who gathers to worship, we ask that you follow these simple guidelines. Currently, we are limiting our services to the worship service only at 10:30 a.m.

- Masks are mandatory during the entire service to express care for others and to protect those who attend.
- When entering the building, please go directly into the sanctuary and do not remain in the lobby due to social distancing issues.
- Feel free to fellowship with one another, but please practice social distancing in accordance with MD guidelines.
- Please sit with your household, every other row should remain empty.
- Distance yourself when using the same row as another person or family.
- Only one person in the restroom at a time.
- Hand sanitizer is available in the lobby.
- Bulletin distribution, shaking hands, hugging and other types of close personal greetings will be discontinued.
- When exiting the building, do not gather in the lobby; please go immediately outside where you can fellowship together using proper social distancing recommendations.
- To demonstrate love for others, please do not attend services if you are feeling sick, coughing, have a fever, have underlying health issues or have been around anyone with CoVid-19 in the past 14 days.
